PRODUCT DETAILS

Promotional Offer – Get a free padlock with each new (one trip) container purchased online in April. To claim this offer add the free padlock from the product options into your basket.

New 10ft x 8ft standard shipping container available for sale in white.

Ideal for containerised storage of a wide range of products and materials.

These 10ft containers were manufactured in China and used once for shipping cargo into the UK. This is the most common form of "new" container in the UK and is far cheaper than UK or European manufactured containers.

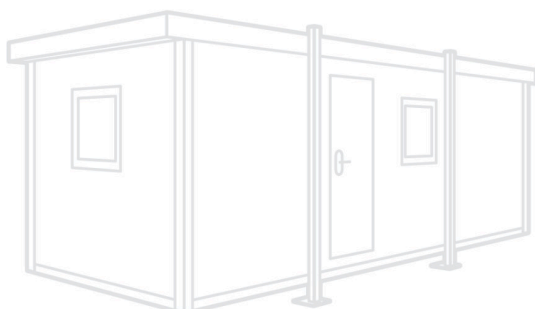

[This 10ft container is also available in green \(RAL 6007\).](#)

Also available are [used cut down 10ft containers](#) at lower cost.

This container is available to buy online and can be delivered to locations throughout the UK. Contact our friendly container sales team for further information.
