PRODUCT DETAILS

Promotional Offer – Get a free padlock with each new (one trip) container purchased online in April. To claim this offer add the free padlock from the product options into your basket.

Our new 20ft x 8ft Shipping Containers (White RAL 9003) have been built to exacting ISO standards in China and used only once to bring cargo into the UK.

These standard 20ft containers are made from corrosion resistant corten steel.

These containers are available to buy online and can be delivered to locations throughout the UK. If you need further information please contact our friendly container sales team for advice and guidance.

These 20ft containers are also available in [gentian blue \(RAL 5010\)](#), [cobalt blue \(RAL 5013\)](#) and [bottle green \(RAL 6007\)](#).
