Aimed for businesses or individuals either on a budget or who simply want cheap wind and watertight storage and do not mind a few dents and scrapes. If you need something that is painted and aesthetically in good order you should probably upgrade to a [hire a 20ft container](#) or if you are storing food or furniture a [20ft container for furniture](#).

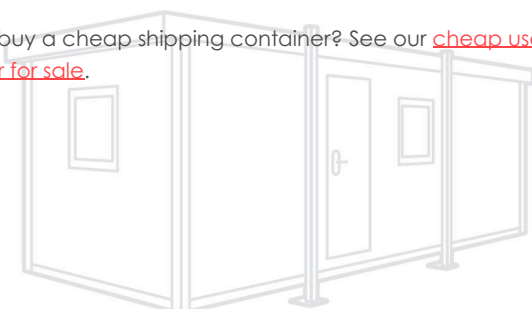

Please contact our hire team to discuss your requirements to ensure that you choose the right container for your job and circumstances.
