£3,175.00 (exc. VAT)

£3,810.00 (inc. VAT)

PRODUCT DETAILS

Promotional Offer – Get a free padlock with each new (one trip) container purchased online in April. To claim this offer add the free padlock from the product options into your basket.

Designed for secure storage & shipping our new 20ft x 8ft standard shipping containers (blue RAL 5013) are available for sale throughout the UK.

These 20ft containers were manufactured in China and used to ship cargo into the UK on a single trip. This is the most common type of “new” shipping containers in the UK as it is much cheaper than UK/European manufactured containers, yet retains the same high ISO standard build quality.

NEW 20FT SHIPPING CONTAINER FEATURES

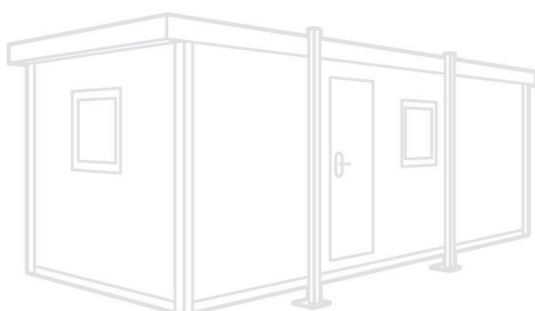

- New Container (one trip)
- CSC plated (gross weight) maximum: 30 ton
- Constructed from Cor-Ten Steel
- Hinged double doors at one end
- Each door contains two locking bars
- A factory fitted lock box included as standard
- 2 x forklift pockets on each side
- 28mm Marine ply floor on steel cross members
- 8 Vents to eliminate condensation

These 20ft containers are also available in [Gentian blue \(RAL 5010\)](#), [green \(RAL 6007\)](#) and [white \(RAL 9003\)](#).
