PRODUCT DETAILS

20ft steel store available for hire in the UK. The unit can be stacked with a 20ft steel cabin (office, canteen or drying room) on top.

The standard minimum hire period is 4 weeks. However, if you require for a shorter period please ask the hire team for a special event rate.

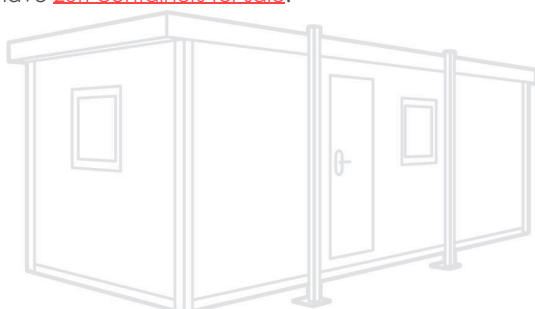

20FT STEEL STORE FOR HIRE FEATURES

- Strong steel construction
- Suitable as the bottom unit for stacking with the [steel cabin range](#) (office, canteen or drying room on top). Staircase available to hire as a product accessory. Stacking plates fitted to both units allow the top cabin to be securely bolted to the store.
- Steel wall panels match the cabin range for a professional and integrated look.
- Secure lock is fitted inside the double doors to provide added security protection (no padlock required)
- Easy open doors, unlike the shipping containers no vertical bars
- Steel locating pins in the door frame provide added security in the event the hinges are cut or damaged
- Painted in standard hirefleet blue (RAL5013)
- Can accommodate 6m lengths of materials in a straight line

This unit will be levelled up by our drivers on site. If the ground is sloping more than 200mm across the container length or width please let us know beforehand.
