PRODUCT DETAILS

This high-spec ECOLink meeting room cabin is available for sale in the UK, with UK-wide delivery.

Stackable and linkable side by side with other ECOLink offices and meeting rooms to create great project office and meeting space. The units can also be linked or stacked with [ECOLink canteens](#), [ECOLink canteen/kitchens](#) and [ECOLink drying rooms](#) to create mixed-use accommodation blocks.

The ECOLink meeting room cabin is ideal for use on larger sites to quickly and easily create well connected project accommodation which makes communication easier. The ECOLink range is a premium product with energy saving features including PIR sensors for the lights, timers on heating systems, uPVC double glazed windows. Air source heating and cooling is also available as an optional extra.

With a flat sided exterior finish the units create a professional look and feel which is especially popular on flagship and high profile sites especially where there is close integration with the general public such as house building and large infrastructure projects.

Please refer to the downloadable drawing for further details.
